A NOTE TO THE SHOOTERS OF OKLAHOMA & BEYOND:

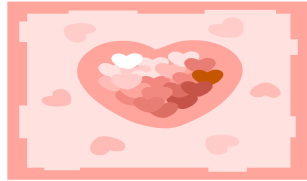

As many of you probably know, our dear friend, Denise Montgomery has been very ill. Our prayers were answered. The final pathology report showed no cancer. She is making remarkable progress after the stroke and surgery.

After three hospitals in two countries, numerous physicians, two ambulance trips, one medi-flight, surgery, diagnostic tests, medications, etc. the medical bills are overwhelming.

Many shooters have asked how they can help. A Fundraiser will be held at Silverleaf on July 24. Come to Denise's Shoot...and bring a team...or two. In addition funds may be donated at <http://funds.gofundme.com/denistemontgomery/medicalfund> Check silverleafshotgun.com or sssca.net for updates. Door Prizes (Merchandise or Services) for the shoot are also being collected.

Visit the Silverleaf website for more information or to register. [www.silverleafshotgun.com](http://www.silverleafshotgun.com)
